MADRASA

attendance MATTERS

HIGH ATTENDANCE = HIGH ACHIEVEMENT

- To be successful in Madrasa and achieve the best academic results possible your child needs to be in Madrasa every day.
- Great attendance and punctuality means that your child can make progress every single day and achieve their full potential.
- Even missing just one day of Madrasa can leave them behind.
- Avoid making medical or dental appointments in Madrasa time.
- Avoid after-school activities, weddings and party functions during Madrasa time.
- Avoid football, karate and swimming lessons during Madrasa time.
- Avoid taking holidays during term time. Flights maybe cheaper but a good education is priceless and sets your child up for this life and the hereafter.

Thank you for supporting our Madrasa to provide the best education for our children.
