Early Years Islamic Syllabus

The Early Years Islamic Syllabus at Little Scholars Nursery has been specifically designed for our little scholars. It set out areas of learning which promote the well being of every Muslim child through the teaching of the Quran and Sunnah. It lays down the foundation for Islamic Studies and covers the prime areas of Islamic belief.

We aim to deliver the syllabus in a fun and exciting way which incorporates the Early Years Foundation Stage Curriculum. Our aim is to nurture and develop each child into a positive minded individual who demonstrate self-worth and capability about themselves, their families and their religion.
